

Not Long Ago Some Dramatic Events Took Place In My Life. I Was Down And Out Searching For My Purpose In This World. I Was Put In A Position One Day That No One Ever Wants To Be Put In. It Was Either I Sink Or Swim. I Choose To Swim, And Not Let My Then Current Situation Hender Me From Reaching My Destiny. One Day Out The Blue I Got A Vision From God About A Couple Of Businesses All At Once. It Kept Eating At Me For Days, And Months. I Started Having Lots Of Sleepless Nights On How To Begin. I Said To Myself How Will People Perceive You? Will They Do Business With You? Will They Trust You? I Had Lots Of Fear. One Day I Decided To Just Step Out On Faith. Not Only Did I Launched One Business, But Two Businesses At One Time. Nobody But God Put This Down On The Inside Of Me. Once I Rededicated My Life Back To Christ, My Life Hasn't Been The Same Since. This Journey That I Am On To Reaching My Destiny Is Truly Amazing. I Simply Thank God For Everything That He Is Doing For Me.
